COMPANY OVERVIEW

KYB Group LLC is a Dallas-based small business with over 11 years of specialized experience in healthcare compliance, business process analysis, data management, and administrative operations. We support federal, state, and local government agencies and prime contractors in improving operational efficiency, ensuring regulatory compliance, and managing mission-critical data with precision and accuracy. Our founder brings direct federal contracting experience through General Dynamics Information Technology, with a proven track record of delivering measurable results. We perform as both a prime contractor and subcontractor.
